IN LONDON CATHEDRAL; CORK PREPARES A GREAT FUNERAL

Hunger Striker Succumbs on 74th Day of Fast Without Regaining Consciousness-Wife and Sisters Were Not at His Bedside.

LONDON, Oct. 25 (Associated Press).-Terence Mac-Swiney, Lord Mayor of Cork, died at Brixton Prison, this city, at 5.40 o'clock this morning, on the seventy-fourth day of his fast. His death followed a hunger strike eclipsing in length any in the annals of the medical world.

The news spread rapidly throughout the United Kingdom and reparations for a great funeral were immediately begun by the Sinn ein. The plans, contingent upon Government approval, include the body lying in state in St. George's Cathedral, in London, and the Mansion fous, in Dublin, and a series of services enroute from Dublin to Cork.

MacSwiney, who had been unconscious for several days, did not recover his faculties before he died. Father Dominic, his private chaplain, and his brother, John MacSwiney, were with him when the end came, Father Dominic was at the prison all night and did not leave until several hours after MacSwiney breathed his last.

The brother asked for the privilege of communicating with other relatives who were not present, but the officials, it is said, retused him the use of a telephone.

They found the Lord Mayor lying motionless, with his eyes open but unconscious. Father Dominic whispered a few prayers, but the dying man did not recognize him. The priest then recited the prayers for the dying, while Sean, the nurses and the doctors, including the expert adviser of the Home Office, stood by-
